RE: Scoping Document 2

To the Parties Addressed:

Please be informed that the Commission will not be issuing a Scoping Document 2 for the relicensing of the London/Marmet Hydroelectric Project (FERC No. 1175-013) and Winfield Hydroelectric Project (FERC No. 1290-011). Comments received during the comment period and the scoping meetings raised no new issues to warrant the preparation of a second scoping document. Comments received during the scoping process will be address in the Environmental Assessment for the London/Marmet and Winfield Hydroelectric Projects.

If you have any questions regarding this matter, please contact Kim Carter at (202) 502-686 or Kim.Carter@ferc.gov.

Sincerely,
